A Few Words From Your New Chairman

Yeah, I know, that title sounds so crusty and formal. But “From The Driver’s Seat” was already taken, and besides, being Chairman of this club is more like “From The Back of The Limo,” because so many Members step up to do “the driving” that I’m really just along for the ride. Don’t misunderstand, I’m happy to be here. Happy to be running meetings, speaking for our club, making decisions, whatever the bylaws say the Chairman is supposed to do. But mostly I’m happy to stand back and proudly let all of you, the Members, do your part to make this the terrific club it is. This is going to be a great year. We have a calendar full of activities that promise many opportunities to have fun with our cars and each other. Join in, certainly, and speak up if you have an idea for a new thing to do or a new place to drive to. This is your club (if you’ve paid your dues, of course), and your participation is what makes it work. Oh, and please let me know if you have any ideas for the title of this column.

Blue Skies, Green Lights, Steady Oil Pressure!
