2006 Was Smashing! May 2007 be a little less so, In his last column of 2006 Leon wrote of Luck—Good and Bad . . .

The weather this Fall was beautiful, but came to an end with the storm on December 1st. Storms are usually bad. That the neighbor's rotten tree fell into Al's yard is bad luck. Had it missed the three MGs, Triumph and Mini would be good luck. But it did hit one of the cars—very bad luck. However, the speared MG was destined for the breaker's yard—good luck? Al has offered to bring the firewood for the March Steak Roast—good. Al has always appreciated a good joke—very good luck for me. Send your sympathies to Alan Costich.

This year's calendar photos are from: Allyn Wagner, Michael Claprood, George Herschell, Dave Chase, Mike Goodwin, Al Fink, Gil Langswager, Dick Powers, Gene Faust, Dawn

Priestley, Bob Abels and myself. Not long ago I subtracted 1,967 from 2,007 and got 40. Not the biggest number in the MG Car Club by any means, but it made me stop and think.

New this year are "notable dates in history". A very special thank you goes to Gary Sandusky who supplied nearly all of these. We make no claims as to their accuracy—keep that in mind before you start wagering.

As always, consult the latest Spokes or web site for event updates and date changes. *Our 49th MGCC year begins.*

Happy New Year 2007!

— ALLEN HESS

Bob and Georgean Abels' 1964 Saab GT-850 (Sport). "This was the last year for the Model 96 "bull nose", and has always been my favorite. I acquired the car around 1973. When Saab was clearing out all two-stroke parts (about 1980), I bought a new complete engine assembly which carried a lifetime warranty. Have not needed it yet; only about 80,000 miles on the original."
