Chairman's Corner

Dave Chase

Hi all,

Well, the trip to Manchester Vermont was very interesting. I never did get the MGA ready for the trip and I didn't drive the B because the weekend was forecast for a washout. So we took the Mini and made the best of it. The field was sloppy and the number of show cars were half the usual. Are own Lloyd Potter won a 3rd with his GT and somehow I got a third for not even having a car on the field. Weird, But I'll take a award anyway it comes. Sunday was a very nice day and all 16 of us had a great time.

Many thanks to the Lanswager's for the great beer party on May 26. It was a great day and a very large turnout. Good food, Lots of beer and a great time.

On July 13 were all invited to a car show in Belmont New York. The Potters have asked us to their home after the show for refreshments. All they ask is for an idea of how many people are coming. Doug Scribner will be our leader going down to the show, Call him for more info. This is a nice small show in the shade.

Coming up on Sunday, 21 July is our car show. We need all hands on deck to make this a successful show. Remember, That with a great show comes a

small boost in our treasury and with that the board can help find money to partly subsidize some events. Please check with Leon on what way you can best help. For the June meeting we had Frank Davidio from Castle products for a speaker. We thank Frank for all the free goodies he gave out and for an interesting talk. We will have a speaker from Hagerty insurance for our July meeting.

Congratulations to Bruce Austin on getting the most votes to be our next membership Chair. I know he and Cindy will do a great job taking the important task from Jim Priestley. Jim has done a super job as club membership chair for over 20 years. He now wants a rest and deserves it.

By the time that you read this the memorial service for Leroy Hokanson will have been held. Thanks to Mary Murray for putting together a nice memorandum to Leroy like what we did for Wally. Leroy's name will be added to the MGCC endowment scholarship plaque.

Take care, Dave

Here we are in the middle of the driving season. There are plenty of cruise-in's, shows, road trips, well you get the idea. Go out and enjoy any or all the above events. Enjoy one event for me since my B is not ready for prime time driving. Yet !! Speaking of Bruce I have to put work on him on the back burner due to projects around the house that need to be completed before winter.

I do have to say it has been fun getting use to my Ferrari at home or should I say ENZO. He is great with my wife and I but need some work on his relation with other people. Enough of that.

Enjoy Your July. See you at the meeting and the car show.

Happy Top Down

Activities

By Desi Benet & Dan Suter

Hi everyone! I'm filling in for Desi this month as she and Bill are on their trip to England as this goes to press (is it still called that in digital format?)

We've really hit stride with a great variety of summer driving events in front of us. July will be a really interesting month for MG Car Club activities.

Note that besides our club events, we also have our own show on Sun, July 21. Leon is providing details later in this newsletter.

Many thanks to Gil and Betty Langswager for hosting the Tasting Party in their garage. It was very well attended, with activities including a model car race, and checking out the work many members did on their cars over the winter. Combined with the Swing into Spring and Hammondsport tour events, we've had a string of popular and fun events recently!

July is quite busy. First up is a tour to the Belmont (NY) Car Show on July 13. This local show is managed by our long time club member Lloyd Potter. Club members who want to tour to Belmont together can meet at the McDonalds parking lot @ 4840 West Henrietta Road by 8:30AM. You will tour down to the show in the town. A chicken b-b-q may be available this year at the show, and a gathering at Lloyd's home will follow the show. A number of club members have attended this event in past years and have really enjoyed it.

On Sat, July 20, the club has again been invited to the Homecoming Festival Parade and Car Show in Pultneyville, NY. Arrive in Pultneyville and follow the directions to line up for the parade. After the parade, you will be directed to park your (now very warm....) car in the middle of the town for the show. The event includes food, vendors, music, historical tours, and of course spending a sunny afternoon on a historical setting on Lake Ontario.

On Sun, July 21 is our car show—held at the Elks Club in Webster at 1066 Jackson Rd. Hopefully you have gotten your registration in early and we are still looking for sponsors. Leon Zak has been coordinating the planning of the show—please see information in this Spokes or our club website.

NOTE: The rally with the Triumph Club on this date has unfortunately been canceled. We will reschedule this event next year.

YES, there is still **MORE** to do in July! On Sunday, July 28, we are participating in the Multi Club Picnic.

This year it is on the USA side (awesome news....) at Wilson-Tuscarora State Park in Wilson, NY and includes a gymkhana, valve cover races, and other activities. See the flyer later in this newsletter for more information. Please Note: Our MGCC WNY is HOSTING the event this year, so volunteering to help will be most appreciated!

August will bring the GVAC show (Aug 4) and the Triumph club sponsored UK Car Day (Aug 18), and of course September is the Vintage Race weekend at Watkins Glen (Sept 6-8).

We hope you are having a good summer –happy motoring!

FATHERS' DAY at SONNENBERG GARDENS

By Gil Langswager

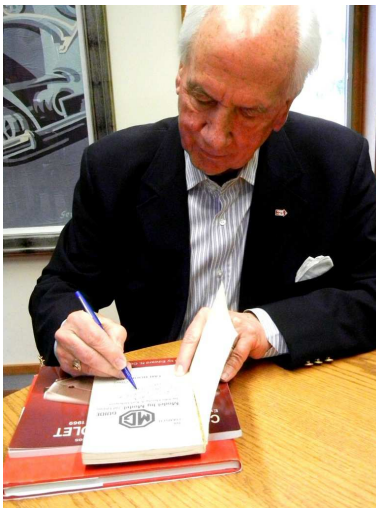

On a rainy Fathers' day Sunday the Langswager clan went to the celebration at Sonnenberg Gardens. It was Jeff's idea to get his father & his son & the MG's together for the occasion. He doesn't have a top (hood) on his MGA yet but that didn't stop him. I chickened out & put the top up on the TD. Chris drove the MGC GT in dry comfort. Jan, Paige & great-granddaughter, Rayme came out in Paige's Vibe. We enjoyed the day in spite of the weather. There were only about ten cars & one motorcycle there but they

were all interesting. There was balloting by popular vote & Jeff's MGA took first place. He got a really nice basket with wine & glasses & was interviewed by a reporter from YNN. We don't have cable TV but were told it did appear. It made the wet trip well worth while. Our TD won third. So, a great way to celebrate Fathers' Day!

Famed Author Karl Ludvigsen Started in an MG

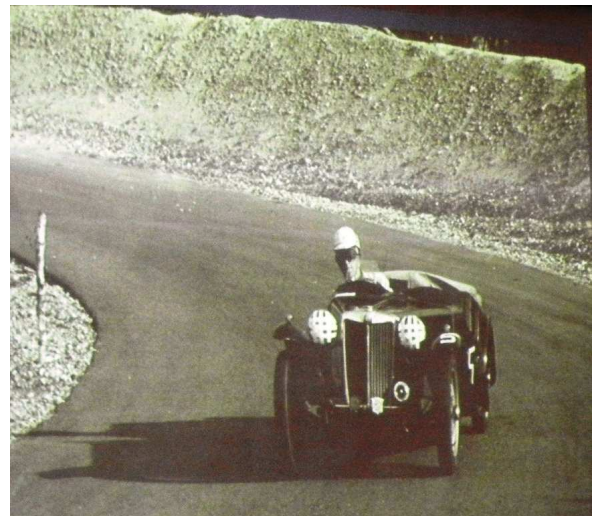

By Dick Powers

On April 13, more than 100 people attended a presentation at the International Motor Racing Research Center in Watkins Glen, by famed motorsports author Karl Ludvigsen. Among them, were 9 from our WNYMGCC and all enjoyed his presentation titled: "My Motoring Lifetime". Ludvigsen was the editor of *Auto Age*, *Sports Cars Illustrated*,

Car and Driver and east coast editor of *Motor Trend*. He currently writes for *Automobile Quarterly*, *The Automobile* and *Hemings Sports and Classics*. He's authored nearly 50 books including works about drivers Stirling Moss, Jackie Stewart, Juan Fangio and Bruce McLaren among others and about cars like Mercedes, Porsche, Corvette, Ferrari, Corvair and MG. In the *Complete MG Guide*, there's a photo of him at the wheel of his TC, racing at the old Thompson Raceway.

Ludvigsen was born in Kalamazoo, Michigan and now lives in Suffolk, England. He's world renowned for his automotive expertise and he started racing in an MG.

GOF, North Conway, New Hampshire

By Gil Langswager

On June 5th Betty & I drove our MINI to North Conway, New Hampshire to attend the New England MG 'T' Register's Gathering of the Faithful –GOF. It was different for us.

We normally drive our MG TD. This time I just didn't have the confidence in the car for that long a trip. So we motored along, on cruise control with the AC on & arrived, cool & refreshed, at the hotel.

Thursday there were two seminars to attend. One was by Rudy Kruger on the Mount Washington Auto Road. He has driven his TD up the road twice, successfully, so he was qualified to give some pointers. He also gave an interesting history of the road. He showed a video, which I believe is on Utube, of a rally driver driving a prepared Subaru WRX up the road in 6+ minutes. It normally takes about a half an hour. Quite a thrill!

The second seminar was on valve cover racing. The Register has not had a set of rules & regulations even though it has had a few "unofficial" races at other gatherings. Hal Kramer has been researching this event & contacted several clubs, including ours, for input. This seminar was to present a proposed plan for the Register & to get our input.

He did a good job & got lots of comments. Most people view the racer as a valve cover from a four cylinder engine with four wheels, one at each corner, like a car. Two guys from Ohio have "unconventional" configurations, one wheel forward, one wheel at the back & a wheel on each side. They also use 6 cylinder covers & weigh 28 pounds or more. The consensus was lighter, like 12 pounds & only four cyl. covers. Track configuration was also discussed.

Later that afternoon, Gene & Anne Faust & their son Doug arrived. Doug towed their TD in his trailer. That evening, Gene, Anne, Doug, Betty & I joined several other members in the lounge to honor Martin & Janet Schorer, who have attended every GOF but one. It was a good time with good food & lots of reminiscing about the good old days.

That night a valve cover race was held in the ballroom of the hotel. Ski & Tim Raymond built a track with about a 16 foot slope & 20 foot runoff. It had sides & a center divider. Release was by a lever operated pin. Betty & I took our racers. Gene Faust also brought his & there were several more, including the "heavys" from Ohio. The heats were run & it got down to Gene with his "conventional" racer & a guy from Ohio with his 28 pound 6 cylinder monster. The first run Gene was ahead when the monster hit his & broke a wheel. Fortunately, Gene had a spare & got back in but ended up second place to size & weight.

Friday it was raining! Fortunately the hotel had set up a huge tent in the parking lot. There were over 30 MG's & they all easily fit under that big top. A covered bridge tour was planned for the morning to end up at the Mount Washington Auto Road. Lunch could be had there & after that we could drive our car up the road to the top of the mountain. Well, we missed the tour because it started at 9:00 & we couldn't make it. It turned out we misread the instructions. We could have started any time after 9:00. Anyway it was raining. We decided to do some shopping & go to a model train museum which we have missed on previous trips. For those who did the tour, the mountain road was closed due to ICE! You could drive part way up but that was it. The cog railway was closed. The mountain was closed! So much for Friday's activities.

Friday night was a delicious Italian buffet & a Chinese auction. The auction was held similar to our basket auction. We bought tickets & put them in buckets in front of the items we wanted. I don't normally win anything but this time I got two items, all tools!

Like I need more tools, but it's always nice to have a spare. There was a beautiful Teapot basket but Betty didn't get that.

Saturday was the car show & "The Survivor Challenge". This was for the most original TD. Gene Faust's TD was one of five contenders. Anne had put together a notebook containing the original bill of sale to Gene's father & other documentation. Gene described how his father bought the car & how it's been maintained & driven through the years. Very definitely a candidate, but Barbara Day gave a convincing story about buying her car new, racing it, & eloping in it, that captivated the crowd. The winner was determined by popular vote, so that's how it goes. In the afternoon the skies cleared & the funkhana was held, but very few participated.

Saturday night was the awards banquet with a good meal & much table conversation. The whole event was a lot of fun in spite of the rain. We're all looking forward to the fall gathering which will be in Oneonta, NY, & will feature the TF in the survivor challenge.

BRITISH CAR CLUBS ARE JOINING TOGETHER FOR THE

ANNUAL MULTI-CLUB PICNIC

10:30am-till u leave

Wilson-Tuscarora State
Park

BRING A PICNIC LUNCH AND IF YOU
WANT A DISH TO SHARE

International Valve Cover Racing
Funkhøna Picnic A good time

Where is it? 3371 Lake Road, WILSON NY Lake Rd. is Route 18.

TRAVEL CARAVAN to the PICNIC

As last year we'll meet at that gas station at the corner of RT 31 and RT 36. If you go out RT 531 to RT 36 (the end), turn left and it's a quarter mile north. And I found out that this place has a name –it is the "Yellow Goose Market". Anyway the address is 3512 Brockport Spencerport RD. From there we'll go to the Erie Canal Schoolhouse B&B. Here's what they'll have for us:

"Restrooms are available and we will provide refreshments - coffee, juice, bagels, muffins, donuts. The charge would be \$5.00 person and that would include a tour of our schoolhouse and the refreshments. Our auditorium contains Albion memorabilia and features artifacts from Christmas Park and Santa School, a miniature handmade carnival and vintage model trains."

Sounds great. It's about a 25 minute ride from the Yellow Goose to the B&B. We'll be there about 45 minutes. Then we leave there and head to the Multi-Club Picnic.

So a synopsis (I love these things):

- Meet at the Yellow Goose Market at 7:30am July 28th. (keep in mind it's usually closed at 7:30am)
- Caravan to the Erie Canal Schoolhouse B&B
- Spend about 45 Minutes at the B&B (\$5 /person for refreshments)
- Leave the B&B by 9:25am and caravan to the Multi-Club Picnic
 - If you want, meet us there by 9:25am and join us for the trip to the picnic
- By 10:30 arrive at the picnic.
- Meet & Greet people from the other clubs
- Whip some Canadian butt at the valve cover races.
- Picnic and good times till....

On a side note – the B&B is owned by Jeri & Lou Becker – friends of George (the thinner one) and have attended some of our functions.

SUNDAY - JULY 21st - ALL NEW SPORTS CAR FESTIVAL 2013

Coming from the 40 year run as the **Sports Car & Vintage Auto Festival** the MG Car Club of Western New York is proud to announce the return of our famous Sports Car Show!!!

You may have known it as its un-official names: **"The Victor Car Show"**, **"The Farmington Car Show"**, **"The MG Car Club Show"** or just that car show your Dad took you to when you were a kid.

New event – **"HOW LONG WILL IT RUN?" 50/50x**

Sponsored by **Wilbert's U-Pull It** – 315-589-2222

We'll have a car, ready to be recycled, but with a running engine. We start the engine and let it run till it stops. You can buy 10 second segments predicting when it will stop. If it stops on your segment – **YOU WIN!!!**

Almost forgot – we **drain all the oil** out of it before we start it.

New judging this year – **PEOPLES CHOICE** (mostly, keep reading)

- **Lowest Mileage** – a little something for trailer queens
- **Farthest Away** – based on city/state/zip or registration
- **Best Custom Paint** – What "The People" think a "custom paint" job is.
- **Ugliest Car of Show** – if you win, don't complain to me – it's those darn people that choose it.
- **Future Sports Car Owners Choice** – 16 and under only vote.
- **Best Presentation** – for those that like to show their car in a "Setting".
- **Car You Want to Drive Home**
- **Best Race Car of The Show** – must have a legit log book.

New location – This year the show will be at the

ELKS LODGE

Next to the warehouse
is a garage full of British cars. And our co-workers often commute in theirs. We put these cars to work every day.

When new parts are developed, we test them. If a part is returned, we'll bolt it on, analyze it, and work with the manufacturer to make it right.

If we are not happy with a part being on our cars, we wouldn't think of selling it to you. And, just to make certain you are satisfied, we stand behind our parts with the longest warranty in the business.

Call us. We'd love to send you a free catalog.
