Please indicate exactly how the name should appear on the plaque.

Chairman's Corner

John Baum

The weather is still a little disappointing. So far this spring I have had our car out twice, once on a very sunny Sunday top down to Nedloh's in Bloomfield for an informal gathering of club members. I believe about a dozen or so club members were present. The day was great and so was the hospitality and the beer. I really enjoy the casual gatherings, without any real pre-commitment, it allows us to get the cars out on a nice day with friends. The next occasion for the MG was the Spring Fling hosted by Laurie Scribner and Dick Powers at Mulconroy's Irish Pub. According to Dick we had around 60 people in attendance, a great turnout for this annual event. The place was so busy with us Laurie found herself helping the waitress serving the food! Weather was a little cool, we had our top on but there were many brave ones with top down.

After my winter MG improvements of the new carburetor and exhaust, the car starts easily, runs smoothly, and the exhaust scrapes the pavement only sometimes.

We appreciate the people who offered to help put together this year's car show. With a little help from many, it will be a great event for all. If you have not already done so, please contact Leon Zak to get involved. If we can get 60 people to go to the Spring Fling you would think we can get that many car show volunteers and participants.

Please pay your 2016 dues if you have not done so already. In recent years the club has been operating with a modest budget that depends on dues to cover its expenses and to support our activities that many of us enjoy.

When compared to the other seasons I think my favorite season is Spring. There seems to be a lot of colors to see when all the plants come out of winter parking. Summer has a lot of green but there just are not the colors like Spring. Some may argue that Fall is colorful but only red, yellow & orange. I feel there is more color in Spring.

What does this have to do with cars. Just like flowers that come out in Spring so do the Sports cars. So many colors on the sports cars. With lots of sun the sports cars open (blossom) their tops to show their inner beauty.

Soon the cruise nights begin. Think of them as a flower garden where there is a multitude of color and variety. So attend a cruise night and enjoy the color.

Take your flower out and let it bloom in the sun and allow others to enjoy its color also.

Have a great month and see you at the meeting

Happy top Down

Activities

By Mike & Maggie Robinson

April 2016 Activities Report

1. Sunday April 24th saw another successful Swing Into Spring event at Mulconry's Irish Pub in Fairport. Richard Powers hosted the event, and Mother Nature sorta cooperated by giving us seasonably warmish temps so the LBC's could attend.
2. May is a busy month for activities. Saturday and Sunday May 7th and 8th is the tour to Hammondsport hosted by Doug Scribner. Jeff Kath has reserved 9 rooms for May 7 at the Keuka Lakeside Inn. Seven rooms have 2 dbl. beds & 2 rooms have Queen beds. If you are planning on going, please make your reservations directly with the Inn. The hotel info and reservation number are on the Event Calendar on the website. The final day for accepting reservations will be Tuesday May 3rd. This will give Jeff plenty of time to cancel any unsold rooms without drawing a charge on his personal charge card.
3. May 14th is the Tune Up Clinic at Edison Tech. The time is from 8:00 AM to 12:00 PM. There is a signup sheet available on the back table. For more information talk to Hollis Hames who is organizing the event.
4. May 20-22nd is Import Carlisle, and several members have made plans on attending. Some are staying the weekend, while others are going down for the day. More info will be posted to the Spokes Event Calendar as I receive it.
5. It was reported at the April meeting, that with Gil and Betty no longer able to hold the garage party, Maggie and I would do our best to uphold the tradition at our home in Caledonia. At the Spring Fling, Bob and Georgean Abels graciously offered to host one at their home at 84 Green Rd, Churchville NY, Sunday June 5th, from 1:00 to 4:00 PM. Bring a beverage of your choice (enough to share), and a dish to pass. Look for a flyer in the Spokes and on the website.
6. June 26 is the Deer Crossing Multi Club British Car Rally. I have no location or times yet.
7. Maggie and I will be hosting the "Not quite October yet – Oktoberfest Party on The Patio", tentatively scheduled for August 13th or 14th. We will have Beers of The World there with samplings and food pairings, with each member bringing their interpretation of one of the food pairings. More information will be posted to the Event Calendar as the date draws closer.
8. With only 248 days left till Christmas, it's not too early to plan ahead for this year's Holiday Party. (who am I kidding... yes it is) This year's location will be the Tavern at Clover, Saturday December 17th. Cocktails at 6, with Dinner at 7:00. Located on the corner of Jefferson Road and Clover in Pittsford, it's centrally located with ample parking. For those that may have dined there in the past, it was formerly known as The Crystal Barn, an original barn structure built in the late 1800's. It is under new ownership, with a brand new menu where the chef makes everything homemade-even the butter. Maggie and I went to the Tavern 135 to sample the wares, and I can promise the food is excellent. Info is posted to the Event Calendar on the website, and more information will be coming as the event draws closer.

Meeting 4/21/2016

President John Baum brought the meeting to order at 7:36 PM

Last Month's Meeting Minutes:

John asked for a motion to accept the minutes of the membership meeting of 3/17/2016. Allyn Wagner made a motion to accept and Barbara Zak seconded the motion.

Birthdays in April:

Maggie Robinson has a birthday in April
Allyn Wagner said his wife, Phyllis has a birthday in April.

New Members:

Activities Report: Mike and Maggie Robinson

Members were reminded that the Swing Into Spring get together at Mulconry's Irish Pub in downtown Fairport was coming up in three days, on Sunday, April 24th. Dick Powers added that there were, at last count, 61 attendees signed up, but more could be added.

Jeff Kath and Doug Scribner are planning the annual tour to Hammondsport on May 7th and 8th. Make overnight reservations directly with the motel if you plan to stay overnight.

The tune up clinic will be held on May 14th from 8 AM to Noon at Edison Tech High School
Several members will be attending Import Carlisle on May 20th, 21st and 22nd. If you cannot attend but would like to buy something or sell something contact one of the members who are attending. If you would like to attend, there is one room left, contact Jeff Kath.

The Triumph Club is planning their Deer Crossing Rally On June 26th, starting from Mickey Finn's in Victor. For details contact George Haynes.

Since Betty and Gil Lanswager are no longer able to host their annual beer, wine and food tasting event, Mike and Maggie Robinson are offering to substitute what they are calling "Not Quite October Fest Beer and Food Pairing" on their patio. Details will be announced later.

The Robinsons also announced that the 2016 Christmas Party will be held on December 17th at the

Tavern at Clover (the former "Crystal Barn") restaurant on the corner of Jefferson Road and Route 65/Clover Road.

The Log Cabin has been reserved for the Watkins Glen Vintage Festival in September.

Treasurer's Report: Mike Goodwin

Mike announced an unclear (he didn't have the figures in front of him), but fine balance. \$150 was put down to reserve the restaurant for the Christmas Party. Mike also calculated that last year's basket auction netted \$361.

Membership: Paul Osborne

Paul announced two new members. He also said that 104 members have paid their dues out of 195 members listed. Dues are due in January and it is now nearly May. Paul also said that Bruce and Cindy Austin had sent a note along with two years membership dues.

Spokes: Don McConnell was absent

John Baum reminded everyone that submissions to Spokes would be due by April 28th.

Watkins Glen Report: Dave Wild

Construction at the Glen entrance where the Concourse entries are located. Not known what affect this will have.

England Report: George Herschel

Dues to England have been paid for next three years (45 pounds per year).

Treasurer Mike Goodwin reminded that amount has been deducted to arrive at the unclear balance.

Library: Al Costich

Al said no one had signed out anything from the Club Library, but he had made loans from the Al Costich Library.

Website: Leon Zak

Leon announced a new article on the website about a mystery key.

Car Show Report: Leon Zak

Betty has ordered British Racing Green shirts for the show, along with electric green for parking staff. Dave Chase is working on trophies. Desi Benet has donated \$25 which will be used for the female driver award.

Old Business: Dan Suter asked Mike Goodwin about progress on his car since he mentioned it under last meeting's new business. Mike remarked that it now runs better than it ever has.

New Business: A very short report on spontaneous trip to Nedlohs and Brew and Brats --- a very good time!! George Heisenberg announced an MG Car Club Facebook page.

John Baum said his car is running. Dick Powers said he had his Morgan's flywheel and clutch done by Rochester Clutch and Brake. He added that Rochester Clutch and Brake was a valuable resource available here in Rochester. Other members concurred.

John Baum added that Brit-Tek was a good source of parts and help for John's MGB. Other members concurred. Someone suggested that there should be a list of such places and Leon said there was, on the MGCC website. Mike Goodwin said he had to replace the bushings on the anti-sway bar on his MGB and asked for guidance. Paul Osborne said he had done it and it was just a matter of placing the car on level ground, jacking it up and loosening the bolts holding the anti-sway bar.

Cars and Parts For Sale:

Al Costich needs a right front brake caliper. Dick Powers has a frame for a plastic bodied car that uses MGB parts.

Last event of the evening was the annual Basket Auction which started at 8:15 PM. Sue Harrison asked each person who contributed a basket to draw a name from the tickets for their basket and read the winner. Sue took a picture of each winner receiving the basket from the basket's creator.

John Baum adjourned the meeting at 8:30 PM.

I am trying to locate the "Bent Cam" award. First awarded in 1983, it went to the summer rally finisher with the worst score, kinda like the "Press On Regardless" awards of old.

There was a similar award given at each Halloween rally, the MG Car "Club." Does anyone have this one?

Lastly, I'm recycling the octagonal plates which were awarded at the Sports Car and Vintage Auto Festival for many years. I have a few of the smaller plates but could use a few more large ones. Would anyone be willing to donate to my recycling effort?

Thanks!

George Haynes ghaynesTR4@aol.com

Opening Days at the Glen

By Dick Powers

April 15 to 17 were the opening days at the Watkins Glen track. This event has been part of the Glen calendar for many years, but 2016 was a bit more special as it was the first time many of us would have a chance to see and drive the newly paved racing surface. Bethel and I drove our '58 Alfa Sprint but weren't able to get there till Sunday. That worked out well as we joined **Laurie Scribner, Carl Prouty, Dave and Nancy Chase** and **Desi and Bill Benet**, all in new Minis, as part of a **206** car Mini gathering hosted by the Mini dealers in Rochester and Buffalo.

Fortunately we got our laps in before the herd of Minis took the track. I had raced my MGA at the Glen for 20 years and my first impression was that this is the

smoothest the track has ever been. They replaced everything and took the cement patches out. Also, sliding up on the curbing coming out of 1, through the Bus Stop and through 10 seems different, but then my Alfa is shod with street Vredestein Sprint Classic tires. That said, I was able to get through the Esses at 6K in 4th (80 mph) and then into 5th. The surface has much more grip and so lap times will be lower.

After the laps, the organizers of the Mini gathering invited Bethel and I to the sumptuous reception they hosted at the Seneca Lodge. A perfect ending to a perfect Glen track opening.

A Love Story Harvard Reunion, Cue the Tears

By Mark Kelly

This appeared in the Wall Street Journal on February 4, 2016

Love Story costars Ali MacGraw and Ryan O'Neal returned to Harvard University, where their characters Oliver and Jenny fell in love in 1970.

Speaking in a discussion with students, they said that the movie, which was partly shot on campus, has special meaning for them now that they are in their 70's

Ms MacGraw and Mr O'Neal are costarring in a national tour of the play "Love Letters," which has a one-week run at Citi Shubert Theater in Boston.

Ms MacGraw said being at Harvard brought back fond memories that few of her subsequent experiences in film ever match. Both actors admitted that they had not seen the movie in years, but that they remember

having crushes on each other during filming, despite both being married.

"Ryan and I clicked immediately" said Ms MacGraw.

When asked "Why?" By a member of the audience, Ms MacGraw said "I just think we have a chemistry and a caring for each other, and, I don't know, we're both Aries, I can go there" "She's a good kisser." Mr O'Neal replied.

Mr O'Neal said that cancer, as it did in "Love Story," has played a big part in his life. He recently battled with leukemia, which he said is now in remission.

Third Annual Model Car Show at the IMRRC

By Betty Langswager

March 18 – 20 was the third annual Model Car Show at the International Motor Racing Research Center in Watkins Glen. It is always a treat to see all the model cars that members show at the three day weekend. The show is by invitation only. Dave & Barb Wild, Al & Mary Isselhard, and Gary Morgan have shown their cars for two years. This year I was invited to show my “cars”. Last year I was talking to Glenda, the show coordinator, and told her I collected cars too. She asked what kind of cars do I have? I giggled and said “Car Tea Pots”. She said “What? This I’ve got to see.” Yes – Car Tea Pots! I have nine car tea pots. So this year Glenda remembered our conversation and invited me to bring my car tea pots. She would reserve the glass display case for me. She even made signs telling about the “cars”. They are made in England at the Potteries Antique Centre, Ltd and they are all hand painted, or from the Tony Carter Potteries in Debenhorn, Suffolk, England.

I have nine car tea pots and many more English made tea pots at home. Two of the cars are race cars and the rest are family style cars, also one little bi-plane tea pot.

I don’t know about Dave & Barb, Al & Mary, or Gary Morgan but I felt so excited to have my tea pot cars on display at the Research Center. It’s truly a feather in my hat, I’ll never forget the experience.

Gil has been going down to Carlisle for many years. Ten years ago he started bringing me home a love present, a car tea pot to add to my growing tea pot collection. So for ten years he has brought me another car tea pot. Some of my friends also have added to my collection. I probably have about 60 or more large and the real small size tea pots.

Thank you again Glenda for inviting me to show my “cars” – my tea pot cars at the annual model car show at the IMMRC. It’s a weekend I’ll never forget!

Swing into Spring

By Dick Powera

This past April 24, 60 club members came to **Swing into Spring** and made it the Biggest and Best ever!! Many LBC were there and they attracted much attention from the other Mulconry's patrons and even a guy in a Miata. That said, one MG model was missing. Next year, we MGA owners will have to make sure an MGA or variant is there. Laurie & Doug Scribner and I thank you for making this another great MGCC event!

Ray Crawford, Hero and Racer, Subject of IMRRC Talk

May 14

Talk re-scheduled from original date

WATKINS GLEN, N.Y. (May 4, 2016) - Ray Crawford, a 1950s-era Indianapolis 500 racer, who also was a combat fighter ace and test pilot and a millionaire business mogul, will be the subject of the May 14 Center Conversations talk at the International Motor Racing Research Center.

"Ray Crawford's life has to be one of the most inspirational stories to come out of the Greatest Generation," said Andrew Layton, author of "Ray Crawford - Speed Merchant: A California Grocer's Love Affair with Risk, From P-38 Lightnings to the Indianapolis 500." The book was published last year.

Layton will speak at 1 p.m. on Saturday, May 14. Originally scheduled for earlier in the month, the free event is open to

all. The Racing Research Center is located at 610 S. Decatur St., Watkins Glen.

The May talk comes as the Indianapolis 500 is celebrating its 100th anniversary. A 1957 Indy roadster and a 1950s-era midget car are currently on display at the Racing Research Center.

Competing from 1947 to 1963 in what was arguably racing's wildest era, Crawford entered more than 200 races in Indy cars, midgets, stock cars, sports cars, championship dirt cars and even unlimited hydroplanes,

Back in The Day The Pit Stop

By Baller

(September 1958 SPOKES)

Thanks to the Harrisons for this article

For the past few weeks the discussions have been about the races, both at Watkins Glen. A pretty good group made a grand tour on the 21st for the Grand prix. It started at the awful hour of 4:30 A.M. when the weary frames rolled out of bed . down to the Tom Thumb for breakfast and off at 6:00 A.M. Don Stahl ,Doris Britt,"The Raccoon", Gordie and Louise Rogers,Dave Gittelman and friend, Brad Bradshaw, Ellis Hormants, The Cory's and Dave Asmuth made up the crew.

After finding a spot to watch the races we parked the cars and settled down. All of a sudden, who flew in but Bruce "The Beard" Norton with a whole case of goodies clutched in his prehensile paws. Shortly after him came Bob Clapper. The races started and so did we. Mr Asmuth also had a case ,but was afraid to drink it, seeing as it was eight years old and had matter floating in it . He tried to give it away, but no one would take it.(Cant blame them, it was horrible.) By race time time we had quite a mob of MG C.C. people with us, including Mary Baton, the tiger , who was observed beating a certain handsome devil with a board bigger than she was.

The day passed pleasantly, and after the goodies were gone we started out for the How Gay Restaurant for supper. The place was mobbed. It was quite a job finding a place to park. Bt this time everyone there was having a ball. I asked one girl what her name was, and she said "I' am one of the Styrcula Sisters." I think that I counted about ten of them. Off in one corner, "The Beard" was telling Dick Schuler the proper way to wear a Scotch Tam, accent and all, while perched on the side on an MG was Steve Tuttle, with a Styrcula looking over the crowd of merrymakers. One ape had his shirt off and was making like a Toreador in front of the Cathy Monahan T.D.

The party rolled merrily on and then it happened. Al Ross, "The Trenton Terror" shrieked, "Baller you old #'^^#*." This really tarted it going. Al was making the rounds of all the tables, and I don't think he missed kissing a single girl there, including Mona. Bob Connal was sitting under the bar on the floor rail singing to Peggy Wahle and Carol Lee " The Raccoon" Vorrasi. Harold LeBoo was out in the parking lot singing with a small group. It was a tremendous party, and we certainly enjoyed it. But it was late and time to go . It took half an hour to say goodbye to Al and the swell bunch of D.V.S.C.C. Then we were on our way . One

stop was made to get coffee and hot meatball sandwiches.

The following Sunday the MG group was back to see the F.I.A. races Time, 9:30 A.M. at Monroe and Clover. Most of the same gang was there, Larry and Mabel Bubel, Dave Elder, Dee Merriman, and the rest of us. A Ford , with Woody the Bardahl Man, also made it. The tour down was led by the Bubel Jag. It was a beautiful ride, and following the Jag and Alfa was like trailing Fangio and Moss. Wild!!! It just so happened that the spot we chose to watch the first part of the race was in front of the goodie truck, What a coincidence !!! All was quiet that day because it was just too darn cold. Supper was at the Jefferson Hotel. Then the tour home. Both down and back ,the Mike Harrison Sprite kept up with all the big stuff. Nice job, Bust a lug ! . . .

Project Car. Wire wheels. Has a Registration.

The Good News:

Car is straight and complete. All difficult metal repairs are done, includes inner and outer sills and fender patching. Quite a bit of other work done: New downdraft carb (SU's included), new brake lines and hoses.

The Bad News:

Car is disassembled. Driver's floor needs to be welded in. Will need interior, tires, top, etc. Does not have overdrive. Downsizing results in this project needing a good home. Car is in Webster.

THERE'S MORE TO MOSS THAN CAR PARTS

I started buying parts from Moss back when Chris manned the counter on Dawson Street. My customer# is 15251. I've been treated like a friend instead of an occasional customer. Moss employees freely give of their time to help me keep my British relic running. One year, on the way to an event, 25 miles up the road from Moss, my car cracked an oil line. The gentleman who pulled my part from the warehouse delivered it on his lunch break. He wouldn't accept any delivery fee."
