Add Your Name to the MGCC Endowed Scholarship Plaque

An engraved nameplate is added to the plaque in recognition of donations of \$30.00 or more (engraving fee is \$5.00). This plaque, created by Paul Heaney, is installed in the Monroe Community College Automotive Technology Department. Nameplate can be purchased in the name of the donor for a friend, or as a memorial. There is no requirement that donors of those honored through donations be members of the MG Car Club. If you wish to purchase a nameplate, send a check payable to MG Car Club to:

Frank Stepanik
 13 Fiora Drive
 Fairport, NY 14450

Please indicate exactly how the name should appear on the plaque.

Chairman's Corner

Mike Robinson

To say the month of March has been "interesting" this year would be a huge understatement. Two wind storms and a major snow event have put the thoughts of summer cruising on hold for a bit. However just like early spring in the world of nature, I am starting to see signs of life in the automotive world. People talking about work being done on their cars in preparation for summer driving, FB pages of events coming up, we're all making plans for potential road trips and cruise nights, planning for the car show, and even though nobody will admit to it, some of us may even go out into the garage, sit in the car and run through the gears making "Vroom vroom" noises while imagining taking the hairpin at Monte Carlo with Phil Hill and Dan Gurney hot on our rear bumpers. Well OK, maybe not, but I digress...

April will soon be on us and (hopefully) warm weather will be following soon. Our car show plans are well underway and I'm anticipating a successful show this year. Fling into Spring, the Steak Roast, and perhaps the return of Cars-and-coffee in Geneseo on Sunday mornings will finally scratch that LBC itch that's been bugging us since December. Having been in the car hobby in my younger days, then getting out of it for about 15 years, and back into it again with the MG, I have to say that much has changed since then. Car values for some are through the roof. You can't get into a nice daily driver for much less than 40 to 60 thousand, and even a rusty basket case could set you back 10K. The young kids today don't have the memories of Hemi Road Runners, Tri-power GTO's or British Sports cars to feed that desire to have a car, instead they want computer games and technology. Let's face it a Dodge Minivan is hardly the stuff dreams are made of, so why would they even consider the old car hobby? We have a challenge before us to keep the Old Car hobby alive, and in our particular case the LBC car hobby. I don't think there's one single "ah HA moment" answer, but rather a combination of educating John Q Public about these little cars, how much fun they are to drive, ease of maintenance (usually) and the fact you can get into the old car hobby for about what you'd pay for a decent used car. Cruise Nights and our own Car Show are our biggest opportunities, so please bear with me if I seem to be pushing hard for show and cruise night participation. I'd like to pick up 3 new members over the course of the summer. It seems like a low number, but I'd rather set a reasonable goal and blow it out of the water, than to set one too high and feel discouraged we didn't make it.

Anyone with me?

MGBruce

By Don McConell

Spring brings thoughts of touring in that British Sports Car. It is Unfortunate there was that wind storm and no power, then the snow storm. So much for thoughts of touring.

After the cold winter or even the up and down temperatures, looking forward to getting out in the fresh air with the top down sounds really good right now.

It is April 1st and I just went out to do some shopping. While I was stopped at a stop sign waiting for traffic to clear, what happened to pass, a Ferrari. I could not see the model, but he was enjoying his sports car for sure. As an added note it was raining that day. To clear up the miss conceptions there are lots of collectors who enjoy their cars no matter what.

I have been able to view the velocity channel since making a couple of changes to our cable setup. There are a couple of programs I have come to enjoy. One is called Graveyard Cars. The owner of this restoration shop restores nothing but MOPAR vehicles. The interesting thing is he goes into detail about parts codes and how to tell if they are period correct or not. The other is Chasing Classic Cars. Wayne finds one of or the last known car or any car for that matter and provides a wonderful history of the vehicle.

These shows provide us with the other side of the collector car hobby. So now you have "The Rest Of The Story" as Paul Harvey would say. Having a collector car means Owning a car, Understanding correctness and understanding its history.

Have a great April. See you at the meeting.

Happy Top Down

Don

Activities

By Kristi & Bud Briggs

Happy April!

We had a very small group go to Cartwright's Maple Tree Inn on March 11th. Having lived in the area for 11 years now and never gone, it was an awesome treat!

The Steak Roast and Auction, held on April 2nd was a great success! We had beautiful weather. Thank you to all who came and participated! The food was fabulous and the location was awesome!

We will NOT be having a basket auction at the April club meeting. However, we will be doing the basket auction during our car show in July, please talk to Maggie or Chris if you would like to donate a basket, or money to acquire things for a basket.

On April 23rd is the annual Swing into Spring! Please sign up with Dick Powers or Laurie Scribner and place your orders by April 17th.

Hollis Hames has secured our Tune Up Clinic at Edison Tech on Saturday, May 6th from 8am-noon. (If I'm am lucky maybe my seats will be back in my car so I can go...

The Hammondsport Tour is on for the 13th of May. We will start at the Burger King on Rt 96 just after the thruway entrance. About 35 mi. in, the route changes & all told mileage is about 80. We end up in Hammondsport on the Square. All 6 rooms reserved at Keuka lakeside are taken. A total of 7 rooms have club members. If you want to stay with the group – Hurry!

The event at Rolling Hills Asylum has been put on hold and I have removed it from our calendar. Not a big deal since it is also the same day as the Eurocar Show in Cazenovia on Father's Day weekend.

So far in July, we have the Bloomfield Days at Nedloh's Brewing Co. Starting around 1pm, more information to come and our Car Show and Basket Auction on July 16th.

I am also working on a date for the Multi Club Picnic, waiting on a call back from the park.

Hopefully I didn't miss anything!

Kristi

MGCC Minutes of the Meeting

By Maggie Robinson

Call to order

- 7:40 PM

Acceptance of the February Meeting Minutes John Baum and Paul Osborne

Identify new members and or guests

Glenn and Gert Masline from Penfield. They have an 80 MGB bought new and are the original owners.
Invited by friends John and Chris Baum. Welcome Glen and Gert.

Ask for April birthdays and anniversaries

Maggie Robinson and Phyllis Wagner

Reports

Kristi is not with us tonight she is at a Robotics convention so she sent me her report.

- **Activities: Kristi and Bud Briggs**
Mike read Kristi report
Regarding the steak roast there is a sign-up sheet in the back. The Cooks mentioned they like beer and can be bought.
Tune up clinic is May 6th Edison Tech. Even if you don't have anything to work on yourself another Pair of hands is always welcome. Many times someone will be working on a job and someone who comes to the clinic has a faster way of doing it.
Hammondsport tour sign-up sheet is also in the back. If you're interested in going there is one more room available at the hotel.
- **Treasurer: John Sutter**
Everything is moving along and we received a lot of money for dues and deposits for the steak roast. Kristi is not here but will take your money for the steak roast.
- **Membership: Paul Osborne**
We have members around 190
- **Regalia: Doug Scribner**
Doug was unable to make it but Ted said that Doug is planning some Gala events & big sales for next week's steak roast.
- **Spokes Don McConnell**
The spokes is great and hopefully keeping up with enough information. If you're going to do something with the races coming up, or if you want to put a short paragraph on what you're going to be doing this year and any plans you have please send to Don. Any articles for the April spokes is due by Next Thursday.
- **Watkins Glen: Dave Wild**
The construction that is happening at the track. New York State bought Mr Chicken and the site used as parking for the gorge. The entrance to the parking lot will be grass and trees with no parking allowed. The lot we have been using remains the same. The model car show is taking place this weekend at the research center. The speaker is a guy who makes custom high end slot car tracks. Saturday is the lecture and the show runs tomorrow Saturday and Sunday. The theme of the Vintage races this year is German cars or cars of the autobahn.
- **Librarian: Al Costich**
Somebody take a book out of the library please. A motion was made and seconded that Al brings a dozen books to every meeting. The vote passed by a wide margin.
- **Website : Leon Zak**
Not present but it was still working last we checked.
- **Car Show: Me or Rod**

Minutes Continued

Date of July 16th

Same location as last year Elk's Club in Webster Addition of Basket Auction – Chris or Maggie can Assist Maggie presents – this year at the car show there will be a table set up for a basket raffle. Chris and I have put together a sheet with different suggestions for baskets you can either create yourself or contribute items for any one of the other theme baskets. We will put this on the back table. We already have two businesses who will be donating. Nedloh's and La Bella Monte Salon. We ask that the baskets range in price from \$40-\$60 and items contributed for the baskets at least \$20-\$40. There is a form for bringing to the business that explains everything you need for introducing our club and reason for contributing a basket. See Chris or Maggie for details.

T-shirts will be ordered. The color this year will be maroon with white lettering.

Dave chase will be doing the trophies and Dan Sutter will be doing the Dash plaques.

Need Volunteers day of show for parking. We need enough people to rotate parking positions and registration table so they will not be missing out on the car show itself. Anyone who would like to be a volunteer coordinator would be much appreciated. Need Trophy and Basket Sponsors George H is making a "cheat sheet" to make approaching sponsors easier Need Volunteer coordinator day of Show Keep schedule so nobody puts in a full day. Assign duties and role

Old Business

No response.

New Business

Car show and Chairman Position – Rod has stepped up and assumed role of Co-chair with me assisting.

George Hershel has had a few mini strokes so please keep him in your thoughts. Card for Jim priestly and John Zoltner. John has pancreatitis and very sick. Jim took a fall in his driveway and hit his head. He has a brain injury and not sure what the next step will be. Please sign card and Maggie will get out ASAP. We will all keep them in our thoughts and prayers.

Chairman: on a similar note the Argensenter family called and expressed sincere thanks to the club for the donation to the Library and were very touched. Very well appreciated.

Cars and parts for sale

Dan Sutter has information regarding a car: There is a 1964 B in Webster in very nice shape and rust free. The car has been reshelled with a later body but restored as a '64 in British Racing Green. Dan can put you in touch with the family. The husband had a stroke so they are looking to sell quickly. Dan saw the car and it started right up and considers it a very attractive driver.

BASKET AUCTION NEWS!!!

The Basket Auction Raffle will be one of the fun and exciting highlights of this years Car show(July 16th). We need your help to make it successful.

- * Go your own way or team up with a friend and choose a theme, then let us know by signing up at the April/May meeting.
- * You may also choose to solicit a favorite business or organization so that they can benefit from advertising through our event. They can create their own basket or choose to donate \$ or products for us to make one for them. (We have information forms for this purpose)
- * Baskets should have a value of \$40-\$60 and consist of non-perishable items.
- * The Businesses that have contributed will be prominently displayed on a board at the registration table & be announced as a contributor. They will also be mentioned in our show program, website & Facebook page.
- * Baskets need to be collected by June15th (at the meeting). The basket committee will deliver them to the show.

Questions? Maggie Robinson/coordinator, chinmom.maggie@gmail.com
Chric Baum co-coordinator cbaum77577@aol.com, 585-752-8091.

Garage Tour

Photos by Dick Powers

MG Car Club Members recently visited a car collection that anyone would love to have. Here is a sample of what was seen.

Carlisle Request

WANTED!

We need more LBC owners to join us in Carlisle, PA for Import Weekend, and for the Big Hershey, PA Weekend.

Historically, we have been attending Carlisle Import Weekend as vendors since 1990.

That's a very long time, with as many as 12 to 15 people bringing parts to sell or just to dig around looking for bargains. We always have a good time as a group of friends, once described as "Male Bonding Weekend."

Sadly our group has dwindled to 3 or 4. We need new attendees!

This year, we leave on Thursday, May 18, set up shop that day and sell our left-over parts on Friday, Saturday and part of Sunday, depending on several factors, like the weather. Join us for part or all of the weekend!

(The Fine Print: We must collect PA Sales Tax on our sales, and we split the cost of the Flea Market spaces proportionally to each person's total sales for the weekend. Jeff always gets the most reasonable motel accommodations possible. We eat and drink moderately.)

Hershey Weekend is another deal completely! It's sponsored by the Antique Automobile Club of America.

It's mostly about American cars, old ones! There are always over 1,000 cars for sale in the Car Corral, ten thousand flea market spaces spread across many acres, a monster car show on Saturday morning and many thousand old-car enthusiasts from all over the world! Every car buff should put Hershey Weekend on his or her Bucket List!

We travel on Tuesday or Wednesday, setup and sell for three days, and sometimes stay part of Saturday to take in the car show. It's like La La Land, with vehicles not seen in many years, if ever. Like a Time-Warp.

And every year we meet some nice new people, visit with friends and learn something new from old timers who freely share their knowledge.

If you're even remotely interested in joining us, speak to Jeff or me any time. Thanks!

Jeff Kath and George Haynes

Start up the Packard! NY to rehab FDR's ride

From the Web

ALBANY - The 1932 Packard Phaeton driven by Franklin Roosevelt when he was governor has been on display behind a wall on the fourth floor of the State Museum in Albany, but largely out of public view. That may soon change.

Gov. Andrew Cuomo watched workers on Tuesday pack up the Packard for repairs. The goal is to get it working again and take it on the road for state events — and maybe even the opening of the new Tappan Zee Bridge slated for 2018.

"This is a national treasure, and it's going to be a great marketing device for the state of New York and the 'I Love NY' campaign," Cuomo, a car enthusiast, told reporters after inspecting the engine and sitting in the driver's seat.

No cost estimate was provided for restoring the car to working order. "We're hoping to get it running. I'm hoping to get it running for the Tappan Zee Bridge opening, to tell you the truth. But it really is a beautiful piece of history."

The model 905 was purchased in 1932 by the Hyde Park native for his use in Albany when he was governor. When he became president a year later, the 12-cylinder Packard joined the state fleet of vehicles, according to the State Museum. "Though kept in running condition, it was rarely used after 1942, when Gov. Thomas Dewey acquired a Cadillac," the museum said.

Gov. Hugh Carey transported Queen Beatrix and Prince Claus of the Netherlands in the Packard when they visited Albany in 1982, the museum said, but after that it wasn't really used much. Cuomo said it was last inspected in 1988 and has about 40,000 miles on it. "As a car, it is a really special car, just as a classic car," Cuomo said. "But a classic car that was FDR's — just imagine it."

JSpector@Gannett.com

Joseph Spector is chief of USA TODAY Network's Albany Bureau.

Steak Roast Report

Photos by Kristi & Bud Briggs

This years Steak roast was well attended and everybody had a great time

Valve Cover Report

Photos By Kristi & Bud Briggs

This years valve cover races was another great time had by all. By the looks of the entrants paddock there were lots of racers.

For Sale

1964 MGB – British Racing Green with minilite style alloy wheels. Older restoration (more than 20 years ago) into a later rust-free B body shell. Car has desirable and rare period Les Leston woodrim steering wheel, and nearly all 1964 features including exterior lights/trim, engine, gearbox (non-overdrive), dashboard/seats/interior. Doors are push button handles. This car remains rust-free.

20-year paint looks good, has some light scratches on the hood/bonnet that should readily polish out; driver's seat bottom cover has worked loose and will need to be re-clipped to seat frame but is not torn or damaged.

This MGB has been very well maintained. Excellent oil pressure (above 50psi oil pressure at idle), the car starts and drives beautifully – engine, clutch, gearbox, brakes, suspension, rear end are all in excellent working order. Newer exhaust.

A recent tan convertible top is in great condition. Car comes with original MGB bolt-on wheels and hubcaps, tonneau cover, and winter storage cover. Car is currently registered, and is ready for summertime enjoyment.

\$7500 obo.

Please contact D. Suter for additional photos and information and to be put in touch with the sellers (there is illness in the sellers family). 585-377-1877 or dmesuter -at – Rochester.rr.com.

U.S. Congress Introduces Bill to Prohibit E15 Sales

DON'T DELAY! Please contact your member of Congress to request support for HR 1315. Use the following button to identify your Congressional District Representative. Choose only "Federal" under the menu "Select the level you wish to search" to be directed to the lawmaker's contact information. Do not reach out to your Senators on this bill:

You may use the following points in your message:

- Ethanol can cause metal corrosion and dissolve certain plastics and rubbers, especially in older vehicles that were not constructed with ethanol-compatible materials.
- HR 1315 would eliminate the unrealistic mandates imposed under the RFS such as requiring refiners to blend 36 billion gallons of biofuels by 2022.
- HR 1315 would prohibit the sale of E15 gas in order to meet artificial RFS deadlines.
- HR 1315 would protect older vehicles from the risks posed by E15.

Overview: Legislation (HR 1315) has been introduced in the U.S. House of Representatives to prohibit the sale of E15 (gasoline that is 15% ethanol), capping the amount of ethanol that can be blended into conventional gasoline at 10%.

The bill also eliminates the Renewable Fuel Standard's (RFS) mandate that requires 15 billion gallons of corn-based ethanol be blended into the U.S. fuel supply each year. Ethanol, especially in higher concentrations such as E15, can cause damage to older vehicles.

DELIVERING QUALITY
SINCE 1948

We take pride in being fussy. Take our Classic Gold brake shoes for example. Before being called Classic Gold, we improved the original stock design, then had them manufactured, inspected, trial fitted and tested on the road. Accept nothing less than the best. We don't.

THIS IS WHO WE ARE

David Williams
R & D Shop Supervisor ASE Master Technician
Moss employee since 2005

David Aidnik
