Don's Corner

By Spokes editor, Don Welch

Our Car Show was one for the records – perfect weather, a new and lovely venue, dozens of members helping on-scene, (and for months before) and happy, enthusiastic crowds – it went off splendidly! All the comments I heard were on the order of “what a great show, and a nice new place for it.”

Most of us were working on getting those beautiful old cars shined up and running smooth, so this issue is mostly about the show and mostly pictures. Enjoy!

Car Show a Success!

Our MG in the Chrome Bumper Class

Many thanks to everyone who came out and supported our club's 51st annual MG Car Club Western NY Centre car show! We had a total of 154 cars and a very successful basket auction and Leon and the committee are still tabulating the financials but it was an obvious success! I would guess we had a thousand or more spectators, but I am not good at those kind of estimates. During the late planning stages the committee had some concerns for capacity on the field due to the newly mown field areas being quite rough, however these areas were used for trailer parking and capacity never was an issue. It's possible that due to the Syracuse Nationals on the same weekend, that event attracted American cars and hot rods away from our event. Weather is always a factor and Mother Nature blessed us with a beautiful day! Whether you showed your car, helped volunteer for parking, directing cars, registration, basket auction, field layout, signage or anything else, many thanks! Congratulations to Leon for overseeing the whole affair as show Chairman!

One bad thing was Sue Keppeler in her MGA hit a deer on the way to the car show. Sue being a trooper continued to the show and dented fender and all, guess what, a good thing, she won the Desi Benet Women Driver's award!

Registration was steady but never overwhelmed, regalia sales and the basket raffle were popular, the trophies were on display and admired, and spectator parking never let up! Cars continued coming in right until the end of awards.

I talked to John Kuchko in the morning who said he loved the venue and it reminded him of Sonnenberg with cars spread out everywhere. "Boutique parking" was Joe B's description. Joe B. is also putting a video together from flying his drone around the show, so look for that online soon. I heard from one spectator they love our show because you see cars you don't see at other shows. The food, music, trolley rides and museum were great. Besides being featured by John Kuchko on his video channel, Joe B and Leon were interviewed by Channel 13 WHAM and that aired Sunday and also online so check that out on their website if you

can. Our club has been going strong for 66 years and events like this show why! Lets get our little

cars out during August and see how many photo challenge points you can rack up!

Safety Fast! George

Nominations can be anytime but must be complete by October, with elections in November. Please consider taking on a role leading your club!

Thanks Bob Welch!

By Dan Suter, Secretary

Our July meeting was held on a beautiful sunny July evening. I counted 20 British and classic cars in the lot, so it was a nice turnout of cars! Our Chairman George Heissenberger opened at 7:33PM, and we had 45 members and guests in attendance.

New Members and Guests:

Kasta Karstig (apologies, spelling) brought his blue 1978 MG Midget that he has been working on and now has running nicely. Dan Miller of Batavia attended as well with his wife's black 1980 MGB LE that she has owned since new. A number of milestone birthdays were announced as well as several anniversaries.

Meeting minutes from June were motioned and approved as written.

Treasurer and Membership Report: Treasurer Todd Black was absent, so George H gave a brief update for Treasurer's Report. Summarized: all remains in good order.

Activities Report by Dave Kray:

Past events (all past by the time this will be published):

- A show in Manchester was held on Saturday July 20.
- Our car show was July 21.
- A Geneva Car Cruise was held July 26
- Cars and Coffee at the Mercantile in Caledonia was held on July 28.

Upcoming Events:

- The Highlands Car Show is August 8 (but must be pre-registered and may be now full).
- Watkins Glen SVRA races are August 23-26. See Ken to provide your CC details if registered at Seneca Lodge.
- Susan Goodwin gave a video presentation and update on the 2024 Motoring Challenge for the club, which started in March and runs through October. LiMutis now have 99 points(!); Goodwins have 85 points; Don Welch has 73 points; Illigs and Krays are tied at 58 points; Lane Boughton remains at 55 points; Heissenbergers have 45 points. Many members are

participating and have scored points for photos submitted.

Regalia Joe Bellizia gave the Regalia report. Calloway higher quality golf shirts are available now, embroidered. Tumbler glasses—Joe had 4 models to choose from. All will require a minimum order of (36); they will be engraved, and will cost in the neighborhood of \$26 each. Additionally hats have been ordered and received.

Spokes – Don Welch provided a Spokes update. Don noted he needs photos and articles. Deadline is one week from Friday following the meeting.

Watkins Glen: Ken Barlow provided the Seneca Lodge update as part of Activities.

Librarian: Paul Osborne was not present so there was no Librarian report.

Website: Leon Zak noted that the website is “up and running”.

Car Show: Leon provided an last update prior to the Car Show on July 21. Leon updated us on trophies, T-shirts, sign-ups, signs, pre-registrations, show field layout, volunteer needs, garbage cans, food vendor applications, all at the NY State Museum of Transportation.

Old Business: George Heissenberger discussed the need to elect (4) new officers this November. Please talk to George if you are interested in filling one of the positions.

New Business: I did not record any New Business.

Announcements: None.

Cars and Parts for Sale:

Remember this year's Motoring Challenge has a total of 106 + points to complete the challenge. The + bonus points are on destination #29 Barn with Silo with the bonus of 1 point for each silo over one shown in the photo. Finding the farm with the most multiple silos gets you all those extra points for the race to first. Many challengers are getting up there in points; see the standings below.

I enjoy seeing all the photos coming in for the challenge destinations and it looks like you are all having fun finding them. Some challengers have come across the same destination site independently and sent me their very similar photo to fulfill the requirement, while others have found and sent in photos of different sites to complete the same destination number. That is what makes it fun for me seeing the same and different photos of all the destinations.

You can join the Motoring Challenge at any time. You have until November 1, 2024 to capture as many destinations as you can. You can find printable instructions and the destination list elsewhere in this Spokes issue as well as on the MGCC website. This year, if your vintage vehicle is not in working order, you may join the challenge using your everyday vehicle.

Any questions? Contact me, Susan Goodwin at challenge@mgcarclub.com. HAVE FUN SAFETY FAST

AN INVITATION:

Hi everyone, I am passing along this invitation below from the MG clubs of Montreal, Ottawa and Toronto, who have invited members of the Western NY MG Car Club, Buffalo Octagon and Ontario T register to their MG 101 gathering in Belleville Ontario in August 23-25 2024.. Leon has said he plans to move the date for our car show (TBD) so there would not be a conflict with our own show, however that is the same weekend as SVRA has moved the vintage races at Watkins Glen International. The Grand Prix Festival is still the Friday after Labor day September 6, 2024 so does not conflict. Watch for more details in the coming months such as a potential group caravan to this event.

George Heissenberger, Chairman MG Car Club Western NY Centre

Hello there MG club Presidents,

You're receiving this email because I have some exciting news to share.

Last summer, the MG clubs local to Montreal, Ottawa and Toronto came together in mid-August to celebrate the 100th anniversary of MG. We had a great weekend, which we called MG100Fest, in the Kingston, Ontario area and as a result of the success of this meet, we have decided to proceed with making this an annual gathering.

We have discussed the idea and would like to extend an invitation to the **Ontario MG T Register**, the **Buffalo Octagon Association** and the **MG Car Club of Western New York** to join us for....**MG101Fest!**

This weekend event will take place August 23-25 (Fri-Sun) in the Belleville, Ontario area. We have secured a

group rate at a local hotel and are in the process of finalizing our programming for this gathering.

Tentatively we have planned a Friday evening pizza party in the hotel parking lot.

Saturday we will likely tour the Prince Edward County area with a lunch stop.

Saturday evening we will have a fun pub night style activity.

Sunday we are debating on hosting a car show with awards. Another possibility is to organize a funkhana and possible valve cover racing before we head our separate ways.

We are confident that MG101Fest! will be well attended from members of our 3 local clubs but we want to extend an invitation and hope that your respective clubs will support, help to advertise and attend this event.

Please let me know if your club might be interested in participating. We would be happy to add your club logo to our flyer that will be released shortly.

If you have any questions I will do my best to answer. I have attached a couple of photos from MG100Fest.

Safety Fast! Jeremy Holdsworth, Duncan Taylor, Trish Adams, Jordan Jones

davekeyes@aol.com

I know the whereabouts of an **MG TD & MGTF**. They are in the Lockport area. I have seen the cars. The TD is together, and I think with a good fettle and scrub down fore and aft you might get a presentable driver. I think it has been sitting about four years. The MG TF is a total basket case, but I believe it is all there. You would need to look over all the bits both in the garage and basement. It will be a good project. Both cars have engines in chassis as well as some spares.

There is also a MG B engine in the garage. If you or anyone is interested in any or all of the above I can give you a number to call who will set up a visit, Jay Lockrow 716-648-0533
