"POLICE CARS"

According to the latest bulletin from the Nuffield organization, the Lancashire (Eng.) Police Department has just taken delivery of ten MGA Roadsters, bringing the dept.'s number up to thirty-two. The total number of MG's in use is thirty-six, the odd four being TF models which will be replaced by a new batch of A-types very shortly.
(from the Hambro News)

WIN A FREE RALLYE!

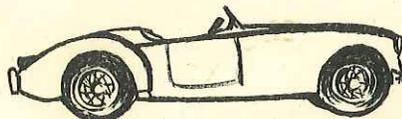

Because this, the first newsletter of our region is obviously lacking a title, we bring forth this contest to bribe you into searching the outer fringes of the cranial matter you reserve for sport car thinking for a fitting name to bestow upon it. The contest will open the moment you read this, Bring your suggestions in writing to the April 18th meeting or send them to Barry Budlong Jr. 287 Park Ave, no later than May 1st. The originator of the winning entry will receive a \$5.00 certificate, good toward any rallye or gymkana of the MGCC (Western N.Y. Centre). A special committee will make the decision.

"MARCH HARE"

On Sunday, March 30th, eight cars from the MGCC invaded Syracuse to run SCCA-Central N.Y.'s "March Hare" rallye, This was a "fun to run" rallye with hairy roads and unplanned obstacles in the way of dogs, ducks, children and road swamps. The dinner was very good and the day was enjoyed by all despite a little confusion in terminology! Doing the club proud, our members took all but 2nd place of the first five.

RESULTS:

- 1st....Beulah Bailey & Jerry Vonhold...MGA
 - 2nd....won by SCCA Central N.Y. Members
 - 3rd....Brad Rising & Carl Clark.....Porsche
 - 4th....Gordon(What day is it?) Rogers & Louise Rogers.MGA
 - 5th....Al Viggiani & Harold LeBoo.....MGA
-Also participating were Bill Brice & Larry Bubel in a Plymouth, Bob & Pat Poshva in a Jag, and Don Stahl and Doris Britt in an MGA.

A REMINDER TO ALL:

You will be voting on the proposed By-Laws at the next meeting. Be sure to study them beforehand. If anyone is lacking a copy, contact Bob Clapper, 6 Thayer Street.

"LITTLE 500"

Applications are now in for the "Little 500" and twelve cars will be leaving from Rochester! Friday evening, April 25th for the two-day event. Our entry constitutes one-fifth of the total number of applicants. This is a strong indication of the show of enthusiasm of our young club.

DUNKIRK

The tour to Dunkirk will consist of simple timed directions over good rallye roads and will consume about four hours driving time. First car off at 8:00 AM from the Hinchey-Chili Shopping Center. Participants will arrive at Dunkirk about 1:00 PM, in time to catch a good share of the practice runs and the Ladies Race which starts at four o'clock. Accomodations have been reserved, very close to the track, at the all-new section of the Iroquois Motel. Friday night will be an evening of relaxation(?) and social gathering in preparation for Saturday's day of racing. The Dunkirk Tour will be the 1st event run by the Western NY Centre and we're anticipating a good turnout--Support your club, use the application below to make your reservations. Entry deadline is set at May 10th but we would like to see as many as possible in by the next meeting.
