"DISTINGUISHED GENTLEMEN'S DRIVE" October 12th,

Photo thanks Ken Barlow

Don's Corner

By Spokes editor, Don Welch

October was a month with two very special events: the **Distinguished Gentlemen's Drive** on a lovely autumn day, just right for touring those pretty little cars. The second event, also on a perfect fall day, was "**Planes, Trains, and Automobiles**" featuring a ride on the classic Arcade & Attica steam train, followed by a tour of the National Warplane Museum in Geneseo. And, no surprise, both were arranged and organized by our premier event master, **Mike Robinson**. Please when you see him, let him know how much we all appreciate and enjoy these activities! We have pages of photos from both events this month.

Gentlemen's Drive

A final report on my generator rebuild: after being rebuilt, it reinstalled easily with its new old pulley & fan, and a new Gates cogged metric size belt. I filled the grease reservoir on the tach drive and it all works fine. My test drive was thankfully uneventful. (Sigh of relief here.)

It seems summer is hardly over and it's time to plan for our year-end holiday banquet at **Glendoveers**. Make sure you make reservations on our web site right away! Info is on page 8.

RSVP date is Nov. 6th!!

I went for a last-warm-day drive in my TD with no top yesterday. Just a peaceful 20 mile ride on the country roads around home. The maple & sumac leaves are in their showy fall colors, the squirrels and chipmunks are madly getting ready for winter, and the geese were honking in their vees overhead. The kind of ride I think my TD was made for. Now I can feel contented winterizing and covering it until spring.

Safety Fast!

Our 2026 Officers!

Chairman's Corner by Ken Barlow

October's meeting came and went, we nominated, unopposed, folks for chair, vice chair, secretary, treasurer and two trustee positions. Come to the November meeting, to be held on the 19th, to vote for the candidates of your choice. Nevermind that they're all unopposed. Don't let that stop you from engaging with the rest of the club at the meeting. Next year, those other positions are up for grabs, so be sure to volunteer. Spend this year shadowing the Events Coordinator, Secretary or Treasurer!

October was a busy month, we had the Distinguished Gentleman's Drive and the Fall Tour. Both went off without a hitch.

The Distinguished Gentleman's Drive, sponsored by Triumph (they make motorcycles) is a fundraiser for men's health that started as a motorcycle ride 15 years ago, where fellows dressed in their finest attire and went on a group ride. The past few years has seen the popularity of Distinguished Gentleman's Rides increase and spread worldwide. Even Rochester hosted a ride in 2026! Ours was the first Drive in Rochester. You can see a short video summarizing the events on the official website: https://gentlemansride.com

In 2025, the ride saw action in 108 nations, 1038 cities, 127,700 riders covering every class of bike from scooters to full dress, to every UJM you could think of with Russian, Euro and other brands aplenty. YouTube "DGR 2026" for dozens of videos showing dapper riders in their finest touring in nearly every nation on Earth.

The DGD, Distinguished Gentleman's Drive, that we hosted saw over a dozen cars, several non-members joined us for nearly a hundred mile drive as we toured on the route of an old fall tour from a few years ago through the countryside between Mendon Ponds Park and back again to 20 Deep Winery in Mendon Center where we enjoyed a Greek food truck. Chris called it "halloween for adults" as we both bought something dapper for the drive. We saw ascots, bow ties, a tuxedo (Thanks Richard!), tweed jackets and more than a few dresses and even a pair of British school girls driving home for the holidays in their matching jackets and skirts.

The fall tour was a stunning success, great fun as we caravanned to Arcade from the legion and other points, two groups coincidentally met in Geneseo. We happened to stop at a traffic light just as the green turned for the other direction, a stream of MGs pulled out and the second group wound up joining with the first into one large drive to Arcade from Geneseo. Quite a fun coincidence.

The train ride was very interesting, at the turn around point we enjoyed a break and had some snacks, donuts, hot dogs, chili, cider and other treats were available for purchase. Highly recommend this ride, it's quite comfortable in those rail cars, and the novelty is entertaining.

While I had to bail from the National Warplane Museum early, I heard it was left far too early for the group too, they could have spent the whole day just talking to the WWII reenactors and museum volunteers. As it was, Mere (our youngest) who came with us to the museum was thoroughly impressed, and we've made a promise to visit before the snow flies.

The group has grown, we are in the 190 member range and continue to grow. The feedback from the survey is pretty clear. Over the winter we'll hold tech sessions for carburetor rebuilds, engine tear downs, engine build ups, transmission tear downs, transmission build ups, body work, welding, painting just about every aspect of maintenance possible. Hopefully I can host some in my new shop and as Tom Sawyer convinced Ben Rogers that fence painting was fun, I can get some of you all to do the work for me! In the spring, mid-April, we'll caravan to

Watkins Glen and do some laps and lunch. This will likely be a less formal event. Get your own tickets, meet at the track in the morning. Get in some parade laps. Meet at a restaurant in town for lunch. TSD rallies are on the menu in 2027, we'll likely encourage people to bulk sign up for an SCCA sponsored rally simply because they run one in the winter and one in the early Spring and there's no administrative load on us if we just participate in their rally. We'll host one too, but it won't be until the Spring into Summer Tour in May.

That said, it's renewal time. Hit up the website, renew your membership so we can continue to enjoy your camaraderie at events.

The next big event is the Holiday party. This year on December 5th. Sign up now, or you'll miss your chance.

Safety Fast!

Minutes for MGCC-WNY Meeting Oct. 15, 2026

Dan Suter (filling in for Alana Roberts)

Our October MGCC WNY meeting was held on 10/15. Ken's Bugeye with hardtop was the sole British car that I saw in the parking lot(!). The meeting was called to order at 7:29 PM by Chairman Ken Barlow. This month, we had good attendance including many club members and several new members.

Ken first noted that Dues are Due and payments can be made on the website via PayPal or directly to Treasurer Celeste Kray. Ken also reiterated his reminders for two items: first, to continue to be active and engage British sportscar owners we encounter to ask them to consider joining us; second, to update our e-mail addresses with the club mailing list and to Celeste Kray when changing e-mails

New Members and Guests:
New member John Evanowsky has a 1960 MGA and also new member Kyle Leonard has a 1957 MGA. Welcome to all!

Birthdays and Anniversaries: Don Welch noted the upcoming birthday (10/18) of his granddaughter Mollie. Bob Welch had an anniversary 9/29.

The September meeting minutes had (2) corrections noted: first, Mike and Maggie Robinson won the People's Choice award with their 1954 MGTF. As previously printed, member Doug Faust won the driver-voted Collier Cup Award. Additionally, as the Collier Race occurred within the SVRA Group 1, 3, 4 and 5A race. Dick Rzepkowski won silver in Group 1 and Ted similarly won bronze.

Treasurer and Membership Report: Our Treasurer Celeste Kray gave us both the Treasury and Membership reports. Celeste outlined recent income and expenses for the club. Also, in October, memberships have now reached 186 member families for 2026. Club finances and balances are in good order.

Activities Report –Erin Foster gave the Activities report.
Past Events (by the time this is published):

- Ken gave a report for Mike Robinson on the Gentleman's Drive held in October. This event was a big success for the club and was very successful as a fundraiser for charity.
- The Fall Foliage Tour led by Mike and Maggie Robinson including the Arcade train ride, tour to the National Warbird Museum in Geneseo, driving tour, and dinner.
- .
- Cars and Coffee at the Free Mercantile in Caledonia – last Sunday in October.

Upcoming Events:

- Cars and Coffee "East Side" in early November.
- Holiday Party at Glendoveers on December 5. Please see Spokes or website for details.

Regalia: Joe Bellizia gave the Regalia report. Joe has started a new name badge list, aiming to get 12 towards a purchase. Joe also discussed shirts, hats, and other items.

Spokes – Don Welch gave us the Spokes update. Don thanked those who have sent photos and articles, and requested that people continue to do so! Deadline for articles and photos is always one week from Friday following the meeting.

Website: Leon Zak said that all is well with the website at the moment. "The website is running!"

Historian: Dan Suter described that approximately 100 additional historic issues of Spokes have been transferred to the Google Drive, which Leon will transfer to the Spokes page of our website for member access. A little quick math indicates there are roughly 740 total issues of Spokes since the club began in March, 1958. Leon already has

approximately 240 issues from 2002-current already posted; this new batch of transfers brings the total of ones that I have scanned to about ~150, leaving a full approximate ~350 more to complete(!).

In addition, several of us have started to migrate club historical pictures to the Google Drive to store there. Once a good volume of pictures is transferred, we will sort and add good naming standards including (where known) year, month, event, people, and who the photo is credited to. More to follow.

Watkins Glen: Ken Barlow shared (via updates from Alana) that the SVRA vintage race weekend will remain the same weekend for next year, aligned with the downtown festival. Ken also noted that the Seneca Lodge rooms will be available and to contact him.

Librarian: Paul Osborne had no Librarian report this month

Old Business: There was no old business to report this month.

New Business: Ken announced that the floor is open for nominations. The following nominations were received, seconded, and accepted:
Trustee 1 – Leon Zak
Trustee 2 – Al Wagner
Chairman – Eric Mehserle
Vice Chairman – Ken Barlow

Other Announcements: Dan Asbury shared about his sister Marcy's passing in September of this year. Our members offer condolences during this sad time.

Cars and Parts for Sale:

- Dan Suter shared that he has a Weber 45 DCOE 13 and Warnford intake manifold available, selling it on behalf of a local owner who inherited an MGB.

Project Updates:

- Ken announced his electrical work is now complete on his new storage building and workshop.
- Don Welch shared that his TD generator is now rebuilt and includes a new fan and newly sourced NOS TD generator pulley
- Thanks everyone for sharing their member project activities!

Door prizes were awarded and the meeting was closed at 8:24 PM.

Distinguished Gentlemen's Drive

The Distinguished Gentlemen's Drive is an on-road motoring event, uniting classic cars built 40 years or older, designed to encourage enthusiasts and vintage car owners around the world to dress dapper and drive for men's health. Funds raised by our Distinguished Gentlefolk support our charity partner, Movember. These funds are invested in vital research and programs for prostate cancer and men's mental health to support the wellbeing of men all around the world. The Distinguished Gentleman's Drive is a themed event, where drivers and their passengers dress dapper to complement the elegant design of their vehicles.

Our Rochester Team had about 28 registered members for the drive, team leader was Mike Robinson. They raised nearly $1500 for men's health causes!

Lunch with Old Friends

From Annabelle Tescione

CW from left Dave, Gil, Annabelle, Dan, Hollis, Barb

On October 13, **Hollis Hames, Dan Suter** and **Annabelle Tescione** got together with **Gil Langswager** and Dave and Barb Wild for lunch at the Char Broil on Monroe Ave. We had a great lunch and a wonderful visit with 3 legacy members of the Club. Gil was a founding member of our Club way back in 1958 and, with wife Betty, set up many MGCC events. Dave and Barb joined the Club in 1959. The Wilds had some great car shows on their property back then; these were the famous Wagonjack meets. Eventually that became so popular that a bigger venue was needed so Dave and Jim Ottman created the massively successful Victor Sports Car Festival. When you look around and see how vibrant and fun our Club currently is, give a big nod of appreciation to these folks who started it all and paved the way through the years.

Watkins Glen 1949 (Jim Hershell)

The History Of Racing In Your Pocket: New IMRRC App

Watkins Glen, N.Y. (September 29, 2026) — On September 11, kicking off the 2026 Watkins Glen Grand Prix weekend, the International Motor Racing Research Center (IMRRC), in collaboration with the Watkins Glen Chamber of Commerce and East Shore Marketing, officially launched the new IMRRC app—an interactive way for racing fans and history enthusiasts to explore the people, places, cars and stories that helped make Watkins Glen a legendary racing destination.

Now available through the Apple App Store, Google Play and the web, the free app brings the rich racing history of Watkins Glen to life through an engaging digital experience that can be enjoyed in the Finger Lakes or anywhere in the world.

At the heart of the app is the Original Watkins Glen Road Course, where the first post-World War II road race in the United States was held on the streets of Watkins Glen from 1948 through 1952. Through interactive stories, archival photographs, videos and historical information, users can virtually explore the legendary circuit and discover the people and places that shaped its early racing history.

Visitors can explore historic landmarks including the Start/Finish Line, Collier Brothers Monument, Smalley's Garage and Seneca Lodge, while uncovering stories of the drivers, races and unforgettable moments that helped establish Watkins Glen as a cornerstone of American motorsports.

The experience extends beyond the original course through the app's Digital Archives, which offers users a glimpse into the IMRRC's extensive historical collections. Scrapbooks, photographs, silent films, racing programs and other materials provide a window into the people, events and stories that have shaped motorsports around the world.

For the IMRRC, the app represents another step in making its collections more accessible and engaging for new audiences. By bringing historic materials and stories into an interactive digital format, the Center is helping ensure that the legacy of Watkins Glen and the broader history of motor racing can be discovered and enjoyed by future generations.

"We are excited to open a new door into Watkins Glen's racing history," said Margaret Lawrence, Executive Director of the IMRRC. "The app allows people to experience these stories in the very places where they happened, while also giving anyone, anywhere in the world, an opportunity to explore the incredible history preserved at the Center."

The IMRRC extends its thanks to the Watkins Glen Chamber of Commerce and East Shore Marketing for their collaboration in bringing the project to life.

Whether exploring the Original Watkins Glen Road Course, discovering historic photographs or diving into the IMRRC's collections, the app offers a new way to connect with the history that put Watkins Glen on the world motorsports map.

The IMRRC invites racing fans, history enthusiasts, families and visitors to the Finger Lakes to download the free IMRRC app and discover Watkins Glen's racing legacy through a whole new lens.

Connect with the IMRRC: To keep up to date on the latest IMRRC Center news visit racingarchives.org or connect on Facebook and Instagram (@IMRRC) as well as TikTok (@imrrc48)
